

Get ready for your study
adventure in Queensland!

Pre-Departure Handbook

Welcome

We'd like to wish you a warm welcome to our campus – and to Australia. Congratulations! You are about to embark on an incredible study adventure.

This guide will help you to prepare for your travels. Please read it carefully. Each section contains important information that will help you to plan your journey to Brisbane or the Gold Coast.

In the meantime, you can always connect with us on social media, or [chat to a student](#) if you have any questions.

See you soon!

Queensland Climate

Of all the regions in Australia, the climate of Queensland is generally considered the most liveable, year-round. Students at Griffith College generally wear comfortable, casual clothes around campus. Shorts or jeans and a light shirt are perfect for the warm weather we usually enjoy (but don't forget to bring a jacket and a jumper, just in case!) [Find out more about our weather here.](#)

Sun Safety

A hat, sunglasses and sunscreen are essential and we take [sun safety](#) very seriously.

Beach Safety

Always [swim between the red & yellow flags](#), and never swim at an unpatrolled beach!

Accommodation

Choosing accommodation should be one of the first things to organise once you have accepted your offer to join us in Queensland! Whether you decide to live on or off-campus, Griffith offers a housing option to suit your needs.

Arriving in Australia

Before you arrive, familiarise yourself with what you can and cannot bring in to Australia. Some items require permission, others will need declaring. [Read here for a complete guide.](#)

You will also need to arrange Overseas Student Health Cover (OSHC). Griffith College can organise this on your behalf - check your letter of offer for details.

Our preferred provider is [Allianz Care Australia](#) - you will meet their representatives at orientation.

Your guide to setting up your life in Australia, in your language!

Learn about how life works in Australia, where to find support, housing and work - in English, Arabic, Dari, Hazaragi, Mandarin, Cantonese, Spanish, Turkish, Urdu, Pashto, Hindi and Ukrainian, French, Nepali, Swahili and Farsi.

Orientation & Enrolment

In the lead up to Orientation, you will receive updates on how to enrol. Enrolling in your classes is important – keep an eye on your inbox for instructions!

If you are having troubles enrolling, you can request support via the Digital Campus or ask us at Orientation.

Clubs & Societies

There's no better way to make new friends and share your interests than to join a social club – and at Griffith we have many to choose from! Take a look.

Working Part Time

Casual or part-time work is a great way to earn some money while studying. Here's what you need to know.

During orientation you will:

- Find out important information about your program
- Learn to use the digital campus
- Obtain your student ID card
- Make new friends
- Meet our counsellors and find out how to make appointments
- Meet the support team, your teachers and staff
- Meet the IT support team and request assistance if needed
- Find out how to access WiFi
- Take a campus tour and learn about our services and facilities
- Get help with enrolment and timetable if required
- Enjoy a free lunch and morning tea!

Academic Integrity

At Griffith College, it's important that you act with Academic Integrity by always understanding your learning content and presenting your own work.

Academic integrity means acting with the values of honesty, trust, fairness, respect and responsibility in learning, teaching and research even in the event of adversity or challenges faced.

Academic Integrity and Generative Artificial Intelligence

Generative Artificial Intelligence (GenAI) is a technology that learns from existing systems, and can generate new content, such as text, images and music. These tools will be an essential part of many industries and professions going forward.

You might use GenAI to brainstorm ideas or work on projects in class guided by your teacher, however you should never use GenAI for:

- homework
- assessment (essays, reports, quizzes)

It is important that you learn the content and skills required for each course and as such any inappropriate use of GenAI may result in a breach of Griffith College's [Academic Integrity Policy](#) and [Assessment Policy](#).

HONESTY
TRUST
FAIRNESS
RESPECT
RESPONSIBILITY

Student Support

At Griffith College, we are here to support you throughout your journey.

There are so many things you may need help with – these may include homesickness and/or loneliness as you settle in to your new country.

We have clubs and events to help you feel at home, as well as a range of academic and welfare support staff on hand to give you study and wellbeing tips. You will see all the exciting things you can do on your Digital Campus (student portal).

We love to receive feedback! You can provide feedback at any time to our friendly staff at reception on campus.

We can't wait to welcome you at Orientation!

Some policies you should be aware of and can read before you arrive are:

[Student Code of Conduct](#): explains our expectations of you and outlines what you can expect from us.

[Academic Integrity Policy](#): explains what you can and cannot do in terms of your work or assessment.

[Program Progression Policy](#): explains what you need to do to remain studying and to reach your goal of transitioning to Griffith University.

[Student Complaints and Appeals Policy](#): provides guidance should you wish to make a complaint or lodge an appeal against a decision you don't agree with.

[Student Support Policy](#): shows you the types of support we have and how to access them.
